As a non-profit organization, we rely upon charitable donations to enable the success of our professional-quality ballet performances. For the 2019-2020 season, we will be offering four performances of The Nutcracker at Portola High School Performing Arts Center in Irvine, December 21st and 22nd. In Spring 2020, we will be performing our full length ballet the Wizard of Oz. Each season we are faced with the delicate dilemma of balancing the necessity of financial viability with our desire to offer affordable ticket prices so that a wide constituency can gain a greater appreciation for the art of ballet. Therefore, ***your tax deductible charitable donation would be much appreciated!***
